ASET COLLEGE OF SCIENCE & TECHNOLOGY

Approved College of Tamilnadu Government University Approval No.AU/DCP/799

(A State University Accredited with A+ Grade by NAAC - Graded as Category-I University by MHRD-UGC)

Corporate Member of National Safety Council, CII, LSC, AOSH, HABC-UK

Fire & Industrial Safety | Logistics & Shipping | Aviation | Rail Safety | Engineering Survey

About the College

The objective of ASET College of Science & Technology is to provide the state of art innovative technical education for the aspiring students community. The ASET College of Science & Technology was instituted in the year of 2016. The Institution has been approved by Alagappa University Karaikudi which is Government University accredited by NAAC committee.

Contemporary infrastructure, modern teaching methodologies, career oriented training, excellent placement and the finest faculty are ASET Hallmark. The institute aims at equipping and transforming students not only as Distinction students also into astute thought officers to take up the challenge of both corporate world in India and Abroad. It takes great pride in developing the students with leadership and interpersonal skills and thus shaping them strategic scholars with competitive spirts.

ASET is new bench mark in innovative curriculum by providing trained professional in the filed of Fire & Industrial Safety, Logistics & Shipping, Rail safety and Engineering Survey educational sphere.

Our Vision

To be a dynamic institution & is to turn into a technical university that is distinctive in its focus on providing excellent education for a sustainable future with International Standards through ceaseless improvement.

Mission

ASET educating, enhancing and empowering our students to accomplish their own, proficient and academic goals. Our Quest would last forever to achieve Exemplary example for all educational institutes to deliver the best competent officers to the corporate and all kind of sectors.

Value

Professional ethics, Moral ethics are the two values are always mind them as our core values in all our endeavors.

Goal

To emerge as a leading eminent educational Institute among the top listed colleges in the international arena

Salient Features

- Contemporary and progressive curriculum, with emphasis on experiential learning.
- Learning process powered by guest lectures from Industrial experts.
- Industrial expertise Faculties, International Conference and Seminars.
- Computer labs and Wi-Fi enabled campus.
- Internships opportunities and final placement facilitation in reputed companies.
- State - of - the - art infrastructure, library with digital learning resources and hostel facilities.
- Periodically updated Curricula and Syllabus in the line with Industry Demands
- Experiential Learning - Major and Minor projects for all programmes - UG & PG
- Rigorous training - Soft Skills, Aptitude Training, Verbal Ability, Mock drills for Employability.
- Departmental Libraries with latest Books and Journals.
- Classrooms with audio visual facilities.

Highlights

- First Class in First Attempt is the motto of this Institution.
- The Campus interview will be arranged.
- One foreign language will be taught free of cost.
- Highly qualified, dignified and dedicated faculties.
- Modern classrooms/laboratories
- Excellent Infrastructure facilities.
- College bus facilities available nearer to Students Residence
- Compulsory Training, Industrial placement, Extra & Co-curricular activities.
- Special coaching classes for GATE, GRE, GMAT, TOFEL* Other Competitive Exams.
- Faculties from other countries will visit the Institute periodically.
- Shortly Wi-Fi Campus
- Voice Accent training by Specialist

CEO MESSAGE

Dr. A. Mohamed Rizwan

Chief Executive Officer
ASET GROUP OF INSTITUTIONS

“Educating the mind without educating the heart is no education at all”

Welcome to 2020-2021 College academic-year. Much thanks to you for your interest in ASET. Since its inception in 2016, ASET Institute of Technology has taken long strides and developed in stature and providing in the province of professional education. It has picked up the fame of offering extraordinary of professional education as demonstrated by the insightful achievement of our students.

I am very happy with the progress of the institution has made by imbining in its students value-based quality education in regular pattern under a state government University regulations like Degree/ Diploma in safety, logistics, survey, rail safety. Prescribed Subjects are based on international standard of ILO- Geneva & Indian logistics skill council.

Serene and modern campus provides the right ambiance for the students in the pursuing education for the full-fledged development in these sectors. On completion of these courses, the students' future will be at right track. The institution gives top priority for academic excellence, innovation and discipline.

The study of morality is vital because we live in a world of rapid change where there are different kinds of people gathered it may result in conflict, in which people are not guided by a single code of ethics, but by a wide range of qualities and guidelines. Without knowing values of moral education, the students could not become leaders and role model to their leading teams. Discipline is the fundamental pillar to the all profession, hence ASET mould them a disciplined student. Grooming of students is an essential element of ASET college, all the students are always emphasized to adhere Grooming.

A most significant accomplishment is conceiving and designing the syllabus for UG/PG safety and picking up the endorsement of Alagappa University. ASET is determined to produce truly employability skill to the students before it usher them a right placement. To Armour the students' employability, ASET also infuse their skills in Communication in English and Hindi. Apart from that Problem solving skill, Decision making skill are also imparted to sustain and shine in their Prospective career. The majority of our qualified students get placed in firms of reputed concerns. Also, a few of them get double offers with lucrative package through campus placement.

We are glad for our members of faculty and staff. They guarantee that every single student's learning backgrounds are fulfilled by supplementing theoretical knowledge with practical training. This experience additionally encourages the interest of student's and moves them to include themselves in our progressing examination extends and investigate new fields too.

Prior to my conclusions, I am quite anxious to meet you all in person to have the Glimpse of our imminent institute to gain the confidence and your interactions with our staff would encourage from your perspective that you are on the right decision to take up this course as a futuristic education system. .

Hon'ble Governor of Tamil Nadu Thiru Banwarilal Purohit presented Certificate to student of ASET Institute of Technology

COURSES OFFERED

DEPT. OF FIRE & INDUSTRIAL SAFETY MANAGEMENT

B.Sc in Fire & Industrial Safety Management
MBA in Industry Integrated
MBA in Environment & Industrial safety
M.Sc in Industrial Safety & Hygiene
PG Diploma Fire & Industrial Safety
Diploma in Fire Engg., Design & Installation
Diploma in Fire & Industrial Engineering
Certificate Course in Fire & Industrial Safety

DEPT. OF LOGISTICS & SHIPPING

BBA in Logistics & Shipping
B.Com in Logistics & Shipping
MBA in Logistics & Shipping
MBA in Logistics & Supply Chain Management
Diploma in Logistics & Shipping

DEPT. OF AVIATION

B.Sc in Aviation
B.Sc in Aircraft Maintenance Science
BBA in Airline & Airport Management
MBA in Airlines & Airport Management

DEPT. OF RAIL SAFETY / LAND SURVEY / BANKING

B.Com in Banking Finance Service & Insurance
MBA in Rail Safety Management
Diploma in Rail Safety
Diploma in Land Survey Engineering

FAST TRACK COURSES : ONLY FOR WORKING CANDIDATES

Professional Diploma In Occupational Health & Safety Management.
NEBOSH, IOSH, HABC, AOSH & LEAD AUDITOR COURSES

Department of Logistics & Shipping

Logistics & shipping is the right career option for individuals who are interested in transportation business management in India. With various opportunities available in the industry, shipping and logistics can be a very advantageous career option if you pursue the BBA/MBA Logistics & shipping in ASET it will be easy to have placement with lucrative scale.

Department of Logistics & shipping prepares you for different roles in the field of logistics management. Through these courses, you will be able to learn more about planning, implementation of the plan in an efficient flow, ways to provide services from the origin point to the consumer's location and storage.

The Department of Logistics & Shipping was established to meet the growing requirement of intellectual, practical and vibrant officer in logistics sectors with well computable with the industrial expectations. The department is well equipped with modern laboratory facilities and good infrastructure for imparting best practical training to students.

Scope of Logistics & Shipping Courses: Industry / Factories

After pursuing a graduation course in Logistics and Shipping, you can apply for various sectors including supply chain, shipping and logistics. Although the courses are aimed at developing management skills, You can explore the following diverse domains in the field of shipping and logistics:

- Bulk Carrier Organisations
- Freight Organisations
- Merchant Navy, Cruise Ship
- Road transport and haulage
- Trade compliance
- Exhibition and project forwarding
- Administration and IT
- Customs compliance

Job opportunities are better once you have pursued an BBA / MBA in this field. You can apply for various management-level profiles for reputed firms like

- Logistics Consultant
- Warehouse Operation Mgr.
- Transportation Manager
- Inventory Manger
- Purchasing Manager
- Logistics Manager
- Logistics Co-ordinator
- Logistics Executive

Average Base Pay

₹ 250 K /year

Department of Fire & Industrial Safety

The Department of Fire & Industrial Safety provides world class quality education. It offers UG & PG programme in Health, Safety and Environment. The outstanding university results reveals our commitment of the department's excellence. The department aims to equip students to become executives and managers to handle fire hazards at private and public, public sector and organizations.

The department has tie-ups with many international reputed organization such us to bridge the gap between university courses curriculum and technologies as it is a discipline where technologies and solution architectures change rapidly.

Our college is proud to be India's most preferred pioneer safety college.

Scope of Safety Courses:

Industry / Factories

- Steel
- Paper
- Leather
- Electrical &
- Electronics
- Textile
- Plastic
- Construction
- Star Hotels
- Food Industry
- Shipyard
- Harbour
- Airport
- Marine
- Power Plant
- Oil Refineries
- Pharmaceuticals
- Petrochemical
- Mines
- Chemical Plants

Can Serve as

- HSE Manager
- Safety Engineer
- Asst. HSE Advisor
- Manager HSE
- Site Head HSE
- EHS officer
- EHS Engineer
- HSE Team lead
- HSE Coordinator
- Site Safety lead HSE
- Safety Officer
- Safety Manager
- Asst. Safety Manager
- Safety Auditor
- Safety Supervisor
- HSE Supervisor
- Safety Inspector

Department of Aviation / Airline Airport Management

B.Sc - Aviation (+2 - PASS)

BBA - Airline Airport Management (+2 - PASS)

MBA - Airline Airport Management (Any Degree)

The International Air Transport Association (IATA) is the trade association for the world's airlines, representing some 265 airlines or 83% of total air traffic. We support many areas of aviation activity and help formulate industry policy on critical aviation issues.

Roles / Scope

The Civil Aviation industry provides enormous employment opportunities in India and abroad. From pilots to cabin crew, ground support staffs to maintenance specialists the employment opportunities have more than doubled in recent years in the aviation sector. The rapid modernization of airports has also translated into the creation of additional opportunities.

With the number of passenger aircraft expected to double in the next five years and with the installation of improved infrastructure at all the major airports, Aviation Management graduates are expected to be in good demand in the near future in India and abroad.

- Line Maintenance Management
- Base Maintenance Management
- Logistics Management
- Aircraft Operation Management
- Planning of Aircraft Servicing
- Ground Equipment Management
- Airport services Management such as Transportation, Hospitality, Baggage handling and Logistics (air cargo), Fuel Supply Management & Quality Control, Estate Management and Air Field Security.
- Corporate Fleet Management; Purchase, Lease and Charters.

Department of Rail Safety Management

The Department Rail Safety Management was established in 2019 with the prime objective of producing high caliber managers, Rail safety officer with global outlook. There is a never ending demand of Managers / officer in every railway field.

Our railsafety PG/Diploma courses will provide job opportunities in the Railway Industry with a consistent approach to initiating, conducting and reporting on an investigation into Railway occurrences with a view to identify safety deficiencies and propose remedial action to prevent similar or occurrences in future.

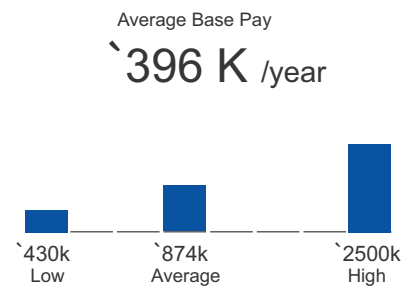

Rail Safety is a field to which all aspects of scientific & Technical knowledge pertaining to the safety are linked. It involves the study of subjects that deals with the designing and installation of Fire protection systems, in-depth understanding of the science of fire, its hazards and control measures; various associated engineering subjects; Industrial safety & management and other psychological grooming required to make a self-reliant safety personnel.

Can Serve as

- Rail Safety & Investigation Lead
- Rail Safety systems Coordinator
- Health Safety Manager-Rail Infra
- Rail safety Manger
- Rail Safety Technician
- Rail Safety Supervisor
- Traffic Controller Safety
- Risk analyst
- Track Safety Officer
- Rail safety working coordinator

How much does a Rail Safety Officer Make ?

Department of Engineering Survey

The Engineering Survey Department was established in the year 2016. The department aims at meeting the phenomenal demand of survey engineers in the field of infrastructure development. At present the Department offers Diploma Programme. The department firmly believes in imparting a strong hands-on experience to the courses that a student takes, and therefore places emphasis on the laboratory component, internships and projects.

Surveyors also work with civil engineers, landscape architects, cartographers and photogrammetrists. Those who have knowledge of a variety of surveying specializations in accredited college will have the best job opportunity globally.

Scope of Land Surveyor Courses:

- Architectural & Engineering
- Government
- Construction
- Self-employed workers
- Mining, quarrying,
- oil and gas extraction

Can Serve as

- Construction surveyors
- Engineering Surveyors
- Geodetic Surveyors
- Hydrographic Surveyors
- Land Surveyors
- Mine Surveyors
- Mineral Surveyors
- Topographical Surveyors
- Surveying Technician
- Survey Assistant
- GIS Analyst
- Draftsperson

PPE- Lab

We have been owning all kind of industrial based PPE in our lab. Because personal protective equipment is having main role in safety sector, for reason only we have given more importance for PPE Lab. The large PPE Room / Lab in provided for protection against Hazards, Adequate training is given to the students to meet out the hazards and risk management. Our modern lab contain basic to advance PPE for specific tasks such disposable clothing from working with chemicals, radiation hazards, welding, painting.

Faculty:

ASET is well supported by a team of professionals drawn from the various divisions like industry, factory, oil refinery, shipyard, harbour, airport etc.,

Class Rooms :

The class rooms are fully furnished, spacious, air-conditioned well equipped with audio visuals, LCD/Wi-Fi. Our class room sessions are supported by the group discussion, case studies, paper presentation, and managerial games.

Library

College central library is located in a spacious and architecturally beautiful surrounding, Facilities like Multi-Media tools. OPAC, Discussion Room and Audio & Video Room enable students to excel in all Domains. Digital Library has been established with ample E-Books/ E-Journal References and is available for student usage.

Hostel

Hostel are a home away from home. We at ASET provide you a decent stay and the best possible learning environment. Many Students consider quality of life as one of the important factors while choosing a College. We encourage the habit of community living and sharing. We provide services to the students from almost all corners of India. A student staying at ASET hostel is provided with South Indian food vegetarian and Non vegetarian. It is compulsory for hostellers to take their meals in the Mess. One menu for each meal is served in buffet..

Placement

Extensive Placement Training right from the first year. Dedicated, Dynamic and Experienced Placement team Industry Specific Training for ON and OFF Campus drives Regular sessions on Leadership and Entrepreneurship skills MoU's with Top MNC's .

Admission Procedure & Eligibility Criteria

All programmes are approved by Alagappa University and affiliated to ASET College of Science & Technology.

BBA/B.Sc

The candidate needs to have passed 10+2 with an aggregate of at least 45% marks (40% for SC/ST/OBC - NC layer candidates) in the subject combination of physics, mathematics and chemistry/computer science/Bio-technology or **any stream**. Admission in BBA/BSC is done **Through ASET College of Science & Technology**.

Admission Process : ASET College of Science & Technology is following Tamilnadu state level admission procedure to admit the candidates in UG courses. The admissions will be offered on the basis of intermediate merit & XII PCM Percentage.

BSC II Year(Lateral Entry)

A candidate must have passed polytechnic diploma exam with 45% aggregate marks (40% for SC/ST/OBC & SBC - NC layer) from an recognized institution affiliated Directorate of Technical Education

M. Sc.,

Candidates should have passed B.E./B.Tech or Science UG Degree in Physics, Chemistry & Fire & Industrial Safety only eligible to get admission in M.Sc., from recognized University.

Applicants having UG above mentioned degree and seeking admission to certain M.Sc., programmes must have a 50% score of the relevant branch

Note: First preference will be given to Engineering qualified candidates.

MBA

Candidate must hold a graduation degree in any stream with an average minimum score of 50% (45% marks for SC/ST).

Application Procedure

Parents who desire to enroll at ASET should apply early in the preceding academic year and should submit our application.

Step 1: Enquire

In order to understand your needs and get to know your family, we ask that you first complete a direct inquiry in Chennai & Coimbatore campus.

Step 2: Schedule a visit to ASET Students who are seeking course testing and interview will be conducted. During the visit the prospective student and his/her family will meet with the Admissions Officer, and be interviewed by a faculty member. He/she will also be required to sit a general aptitude test in English and write an essay on a topic of interest. Interview date will be informed by electronic media.
