100%

India's pioneer Institution

About the College

The objective of ASET College of Science and Technology is to provide the innovative technical education for the aspiring students community. The ASET College of Science and Technology was instituted in the year of 2016. The Institution has been approved by Alagappa University Karaikudi which is Government University accredited by NAAC committee.

Contemporary infrastructure, modern teaching methodologies, career oriented training, excellent placement and the finest faculty are ASET Hallmark. The institute aims at equipping and transforming students not only as Distinction students also into astute thought officers to take up the challenge of both corporate world in India and Abroad. It takes great pride in developing the students with leadership and interpersonal skills and thus shaping them strategic scholars with competitive spirits.

ASET is new bench mark in innovative curriculum by providing trained professional in the filed of Fire & Industrial Safety, Logistics & Shipping, Rail safety and Engineering Survey educational sphere.

Our Vision

To be a dynamic institution & is to turn into a technical university that is distinctive in its focus on providing excellent education for a sustainable future with International Standards through ceaseless improvement.

Mission

ASET educating, enhancing and empowering our students to accomplish their own, proficient and academic goals. Our Quest would last forever to achieve Exemplary example for all educational institutes to deliver the best competent officers to the corporate and all kind of sectors.

Value

Professional ethics, Moral ethics are the two values. They are always mind them as our core values in all our endeavors.

Goal

To emerge as a leading eminent educational Institute among the top listed colleges in the international arena

Salient Features

- Contemporary and progressive curriculum, with emphasis on experiential learning.
- Learning process powered by Guest Lectures from Industrial experts.
- Industrial expertised Faculty, International Conference and Seminars.
- Computer labs and Wi-Fi enabled campus.
- Internship opportunities and final placement facilitation in reputed companies.
- State - of - the - art infrastructure, library with digital learning resources and hostel facilities.
- Periodically updated Curriculam and Syllabus in the line with Industry Demands.
- Experiential Learning - Major and Minor projects for all programmes - UG & PG.
- Rigorous training - Soft Skills, Aptitude Training, Verbal.
- Ability, Mock drills for Employability.
- Departmental Libraries with latest Books and Journals.
- Classrooms with audio visual facilities.

Highlights

- 'First Class in First Attempt' is the motto of this Institution.
- Campus interview with hefty salary will be arranged.
- One foreign language will be taught free of cost.
- Highly qualified, dignified and dedicated faculty members.
- Modern classrooms / laboratories.
- Excellent Infrastructure facilities.
- College bus facilities available nearer for Students from all areas.
- Compulsory Interview Training, Industrial placement, Extra & Co - curricular activities.
- Special coaching classes for GATE, GRE, GMAT, TOEFL and Other Competitive Exams.
- Faculty from other countries will visit the Institution periodically.
- Wi-Fi enabled Campus.
- Voice Accent training by Specialist.

CEO MESSAGE

Dr. A. Mohamed Rizwan

Chief Executive Officer

ASET GROUP OF INSTITUTIONS

“Educating the mind without educating the heart is no education at all“

Welcome to 2022-2023 academic-year. Thank you for your interest in ASET. Since its inception in 2016, ASET College of Science and Technology has taken long strides and developed in stature and providing in the province of professional education. It has picked up the fame of offering extraordinary professional education as demonstrated by the insightful achievement of our students.

I am very happy with the progress of the institutions and has made by imbibing in its students value-based quality education in regular pattern under a state Government University regulations like Degree/ Diploma in safety, logistics, survey, rail safety. Prescribed Subjects are based on international standard of ILO- Geneva & Indian logistics skill council.

Serene and modern campus provides the right ambiance for the students in the pursuing education for the full-fledged development in these sectors. On completion of these courses, the students' future will be at right track. The institution gives top priority for academic excellence, innovation and discipline.

The study of morality is vital because we live in a world of rapid change where there are different kinds of people gathered. It may result in conflict, in which people are not guided by a single code of ethics, but by a wide range of qualities and guidelines. Without knowing values of moral education, the students could not become leaders and role model to their leading teams. Discipline is the fundamental pillar to the all profession, hence ASET mould them a disciplined student. Grooming of students is an essential element of ASET college, all the students are always emphasized to adhere Grooming.

A most significant accomplishment is conceiving and designing the syllabus for UG/PG safety and picking up the endorsement of Alagappa University. ASET is determined to produce truly employability skill to the students before it usher them a right placement. To Armour the students' employability, ASET also infuse their skills in Communication in English and Hindi. Apart from that Problem solving skill, Decision making skill are also imparted to sustain and shine in their Prospective career. The majority of our qualified students get placed in firms of reputed concerns. Also, a few of them get double offers with lucrative package through campus placement.

We are glad for our members of faculty and staff. They guarantee that every single student's learning backgrounds are fulfilled by supplementing theoretical knowledge with practical training. This experience additionally encourages the interest of student's and moves them to include themselves in our progressing examination extends and investigate new fields too.

Prior to my conclusions, I am quite anxious to meet you all in person to have the Glimpse of our imminent institute to gain the confidence and your interactions with our staff would encourage from your perspective that you are on the right decision to take up this course as a futuristic education system. .

COURSES OFFERED

DEPT. OF FIRE & INDUSTRIAL SAFETY MANAGEMENT

B.Sc in Fire & Industrial Safety
MBA in Industry Integrated
MBA in Environment & Industrial safety
M.Sc in Industrial Safety & Hygiene
PG Diploma Fire & Industrial Safety
Diploma in Fire Engg., Design & Installation
Diploma in Fire & Industrial Safety Engineering
Certificate Course in Fire & Industrial Safety Management

DEPT. OF LOGISTICS & SHIPPING

BBA in Logistics & Shipping
B.Com in Logistics & Shipping
MBA in Logistics & Shipping
MBA in Logistics & Supply Chain Management
Diploma in Logistics & Shipping

DEPT. OF AVIATION

B.Sc in Aviation
B.Sc in Aircraft Maintenance Science
BBA in Airline & Airport Management
MBA in Airline & Airport Management

DEPT. OF RAIL SAFETY / LAND SURVEY / BANKING

B.Com in Banking Finance Service & Insurance
MBA in Rail Safety Management
Diploma in Rail Safety
Diploma in Land Survey Engineering
