GUEST TESTIMONIAL

DR. VANEETA AGGARWAL
NSS- COORDINATOR - UNIVERSITY OF MADRAS

The Aset College has shown Excellent progress is not only teaching learning process resulting in excellent university results but also developed research and Innovation

MR. A. RAMJI
FORMER GM - INDIAN RAILWAYS

It has been an opportunity to be in the college. It is an Inspiring example of what India needs to do. I wish the college continuing success to fulfil their aspiration.

DR. S. SUBRAMANIAN
PROF. & DIRECTOR - TAMILNADU OPEN UNIVERSITY

One of the most notable aspects of ASET College is its commitment to student success. The college provides personalized support and guidance to help students navigate their academic journey, from admission to graduation and beyond.

MRS. P. KAVYA
AGM - AAVIN MILK CORP. GOVT. OF TAMIL NADU

ASET College is a premier educational institution dedicated to providing students with high-quality education & training that prepares them for successful careers. With a diverse range of programs, ASET offers students the opportunity to pursue their interests & achieve their goals.

SMT. SUJATHA JAYARAJ
IRAS DIRECTOR - CHENNAI METRO RAIL LTD

Delighted to be with a leading institution Aset, interacting with the faculty and students. I see good progress has been made in direction, especially creating centres of excellence.

MR. R. MOHAN
CHIEF OHS & E-CMRL - INDIAN RAILWAYS

Overall, ASET College is a top-notch educational institution that prepares students for success in their chosen fields. Whether you are just starting your academic journey or looking to enhance your skills and knowledge.

STUDENT TESTIMONIAL

MR. AASHIL MOHAMMED - MBA (E&IS)

"I attended ASET College for my undergraduate degree and had an exceptional experience. The faculty members were knowledgeable and supportive, and the curriculum was challenging and engaging. The campus environment was welcoming and inclusive, and there were plenty of resources available to help me succeed academically and personally.

MR. SANTHOSH KUMAR A - BSc (ISM)

In Aset Institute of Technology coaching was very perfect & well trained faculty. So, I had a good knowledge about my course. This is one of the best college for learning safety. The all staffs are so kind and behave like a friend. The teaching is good. Best classes and good infrastructure. And I get a job before completed my degree. Thank to Aset.

MS. KOUSALYA B - MBA (L&S)

ASET College has been a game-changer for me. The faculty and staff are incredibly knowledgeable, dedicated, and supportive. They offer a wide range of programs that cater to different interests and career goals. The learning environment is excellent, and the facilities are state-of-the-art, providing students with the resources they need to succeed.

MR. SHAJAHAN T - MBA (L&S)

In my two years of competitive learning in "Aset College of science and technology", I was able to learn lot in a practical manner and I was able upgrade and develop my skill set to be efficient and effective in the workplace. I am thankful to all my faculties and management staffs for leading me and setting a great example. I got selected for A JOB with CTC of 3 LAKHS.

MS. KEERTHIKA J - PDIF & GO

The college has a strong focus on hands-on learning, which has been incredibly beneficial in preparing me for the workforce. Overall, I highly recommend ASET College to anyone looking for quality education and career opportunities." . I also appreciated the opportunities for career development, including internships and networking events. Overall, I highly recommend ASET College to anyone looking for a top-notch education and a supportive community.

MS. SOFIYA BEGAM N - PDIF & GO

I am so lucky to choosing this innovative course in this Aset institute. I already completed bachelors of engineering in electrical and electronics engineering course But, I not satisfied the job related to my core and salary. So I planned to select the fire & industrial safety management. Now finally I placed in the good concern thanks for the Aset Institute of Technology.
